- Extra-murals are an important part of an all-round education.
- Students are to choice ONE sport and any ONE other activity; 1st team waterpolo players do not need a 2nd activity.
- If a student cannot attend an activity, a valid excuse must be provided to the coach before the event.
- Participation in school activities is considered a priority above other out-of-school commitments.
- NATIONAL reps may submit a request to Dr Hartley to be excused from one extra-mural activity.
- Extra Maths, Afrikaans and Science lessons do not count as extra-murals.
- Only selected debaters will be required to participate in the Wednesday League.
- Table tennis can ONLY be taken as a 3rd option.
